Attached please find the agenda and the board packet for our meeting on Thursday July 26th at 12 noon.

I was notified this morning that the Delaware bar exam will still be going on in Polishook Hall on Thursday. I am looking for an alternative location for the meeting because, as you can imagine, we must maintain a very quiet environment in the building, entrance and exit is also carefully monitored. No one can speak in the hallways or common areas at all during the administration of the bar exam. I will have that location to you by Close of Business on Tuesday July 24th.

Have a nice weekend!

Thanks Ashley but we just booked a room at Wilmington Country Club.
If we need a conference room in the future we will keep this on the list. Next year we won't schedule during the bar exam.

We are figuring out the logistics of dialing someone in, as opposed to someone dialing in to the conference call. We will get it done.
