GM

Please see attached.

I learned today that CAA reverted to the TMA last Friday indicating NO (so this exercise may be mooted).

The TMA has clumsy mission statement so it's audience may not have been apparent. Essentially it includes all constituents involved in the bankruptcy & restructuring community (e.g., bulge bracket law firms, accounting firms, private equity firms, consulting firms).

I've attended all prior Executive Speaker dinners and the presentations are not connected to the mission statement. The speech or Q&A does not need to address the turnaround industry, business, etc. For instance, Boehner told political war stories and dissed Trump, and was well received.

Thank you.

George

Can you ask them to send us whatever they sent to the "Speakers Bureau" and we'll get it to CAA.

I think a formal invite was sent to "the speakers bureau" perhaps several weeks ago. Thank you.

Hunt - The Chicago Chapter of the Turnaround Management Association wants your Dad to speak at its annual speakers forum on Nov. 20, 2017.

My understanding is that the TMA submitted a request through the Speakers Bureau but have not yet heard a response.

Should this invitation be addressed somewhere else? Can you let me know who I can follow up with ?

Prior speakers include:

2016	John Boehner
2015	Robert Gates/Leon Panetta
2014	Mitt Romney
2013	Tim Geithner
2012	Hank Paulson
2011	Condi Rice
2010	Tony Blair

I'm sending a link to the whole photo shoot. As discussed, we'd like approval on three pictures: a jacket photo for the back flap, a publicity photo that is sufficiently different, and a photo of the V.P. and Dr. Biden. If we could have approvals by Tuesday morning, that would be great.

Please keep in mind we feel it is important that these photos present another side of the vice president--slightly softer, more artistic and contemplative than the usual Washington government portrait...
